

# Is **Security** on your lot a top priority? Protect your lot with a reputable security company

**GCI Security** takes a hands-on approach to security, ensuring that the unique needs of each client are met. Dynamic security protection requires our security experts to find the necessary balance between site planning, officer presence, and security technology in addition to the ongoing communication between our security experts and our clients.

With over 25 years of experience, GCI employs over 100 full-time and part-time security officers to provide their customers with immediate, effective response times.

**GCI Security** offers a full fleet of marked and unmarked security vehicles. When a dealer hires GCI, they can take advantage of our full range of services, including:

- **Uniformed Security Officers (Armed and Unarmed)**
- **Security/Police Mobile Patrols**
- **Private Investigator**
- **Security Plan Design, Implementation and Review**
- **24-Hour Dispatchers**
- **Police Radio Monitoring**
- **Remote Surveillance**

Keep your insurance rates down by managing thefts and break ins. Protect your biggest asset other than your people: your cars!

Ask how you can connect with Gary today, and start sleeping better knowing your lot is protected.
