

Self-funded Worker's Compensation: Let us quote you a competitive rate, and keep your money right here in Missouri.

MADA has the oldest remaining private section group self-insurer in Missouri. The Fund was formed November 1982 to enable members, as a group, to pool their resources and self-insure their workers' compensation exposure. The Fund is non-profit. All excess profit is returned to the participating members in the form of reduced rates, safety credits or dividends.

The Fund's goal is to provide:

- **Competitively priced workers' compensation coverage**
- **Aggressive claims management**
- **Professional loss control services**
- **Educational opportunities to our members.**
- **Additional, complimentary services include safety assessments, training, program and policy development and consultations.**

The Fund has returned over \$4m in dividends and \$2.8m of safety related performance based premium credits. Rates have decreased 38.9% since 2006.
