

Looking for a **RETAIL**
level Car Wash, or a new
Profit Center for your
dealership? **Sonny's** is your
MEGA car wash solution

SONNY'S sells more conveyerized car wash equipment than anyone in the world. This success allows Sonny's to lead the industry in product innovations, higher-quality equipment, rapid delivery, and world-class service.

Most in-bay car washes will wash up to 120 cars a day. . . Sonny's conveyor car washes can do that in an **HOUR!**

SONNY'S has been washing cars since 1949 and has over 850 years of operations experience in their network. Sonny's leverages this knowledge and unique experience to help drive retail car wash success.

Wondering how to get into the retail Car Wash Business? Sonny's has a unique *car wash university* which helps their clients achieve success! CarWash College delivers campus-based, hands-on training in the areas of car wash maintenance, repair, and management. It's where the car wash industry comes to learn, one week at a time.

Frank Lash, our rep for Missouri, comes to the business with 20+ years of car wash experience, and will shoot you straight regarding your options.

Call to set up an appointment today for your dealership's new retail money maker!
