

PREPARE YOUR ORGANIZATION FOR A CRITICAL LIFE EVENT.

ORGANIZATION READY.

We will help setup your AED program to be in compliance with federal and/or state laws. We help to ensure all necessary documents are in place so you are protected should an event occur.

EQUIPMENT READY.

RescueStat's patented, innovative IoT technology will help make sure your AEDs are ready to use when you need them.

PEOPLE READY.

Lifesaving equipment and technology mean nothing if your people are not trained to act. Proper training means they will be empowered to take charge in a critical life event.

WITHOUT ALL OF THESE COMPONENTS, YOUR ORGANIZATION IS AT RISK.

The one-box solution is all you need to make sure your organization is prepared for a critical life event. This box includes:

- ✓ AED
- ✓ AED Cabinet
- ✓ RescueStat Remote Monitoring
- ✓ RescueStat Program Management
- ✓ Prep & Response kit with AED signage
- ✓ Software dashboard to monitor program
- ✓ Resource center with training videos
- ✓ And more!
